

CHARLOTTE REVIT USER GROUP

Join the Charlotte Revit User Group to learn how Carolinas HealthCare System is using BIM on Capital Projects. Guest speakers, Meghan Ruffo and Joe Sferrazza with Carolinas HealthCare System (CHS) will discuss their BIM Goal: ***Process Improvements for the Design, Tracking, and Implementation of Capital Projects***. During the presentation they will cover the following topics:

- **Design Process Communication**
 - Digital Document Review
 - 3D Model Virtualization for the End User
- **Design and Construction Process Efficiency Design**
 - Conceptual Energy Modeling
 - Conceptual Cost Estimating
 - CHS BIM Guidelines
 - Better coordination between design consultants
 - Better quality design documents
- **Construction**
 - 3D Virtual Coordination with Sub-Contractors
 - 4D Scheduling
- **Accessing Facility Information for Future Renovations and Maintenance**
- **Legacy Drawing Database**
 - Integration with Facilities Management Enterprise System
 - Facility Model Server
